

Kodama

Kodama
Systems

Kodama:

We are a technology company focused on bringing novel technology to forest management.

The Harvesting Sector

Unsung Heroes of Forest Management

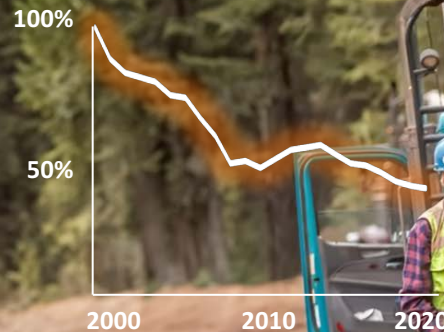

Critical for Meeting Goals

Changing Dynamics

Logging Workforce

97% of American loggers state finding new employees to be "almost impossible"

Difficult, Distant, & Dangerous

Long Hours, Remote Locations, and Everyday Danger

Solution:

SHARED AUTONOMY OFF THE GRID

Source Employees:

find employees from far away

No Travel:

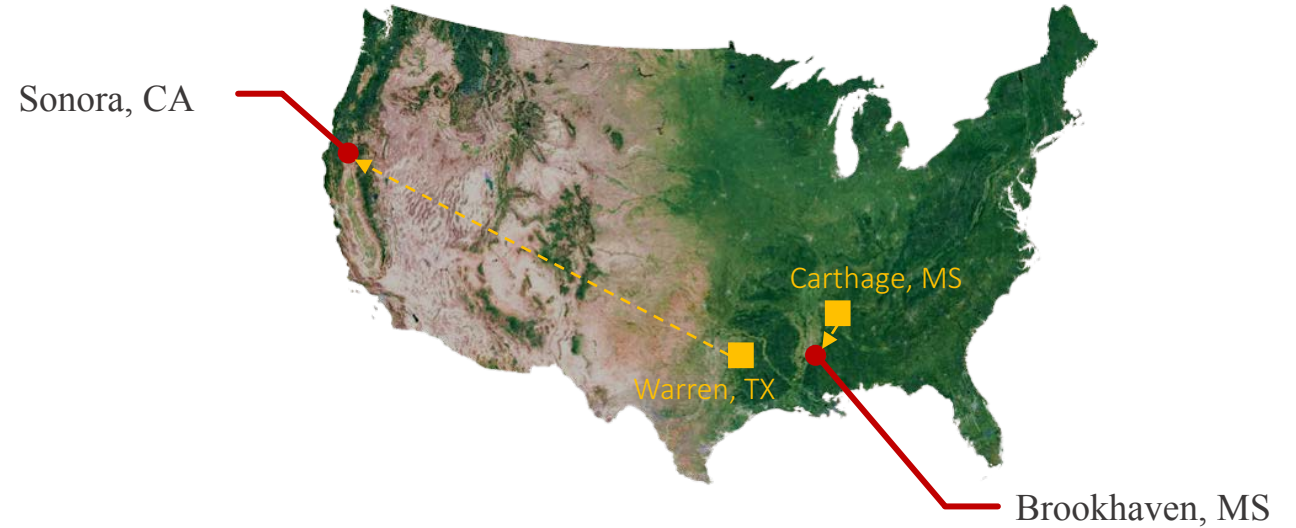

eliminate the cost of 3hr commutes

Safer:

lower workers' comp costs

Productivity Multiplier:

enable multiple shifts & multiple machines
per operator

Product:

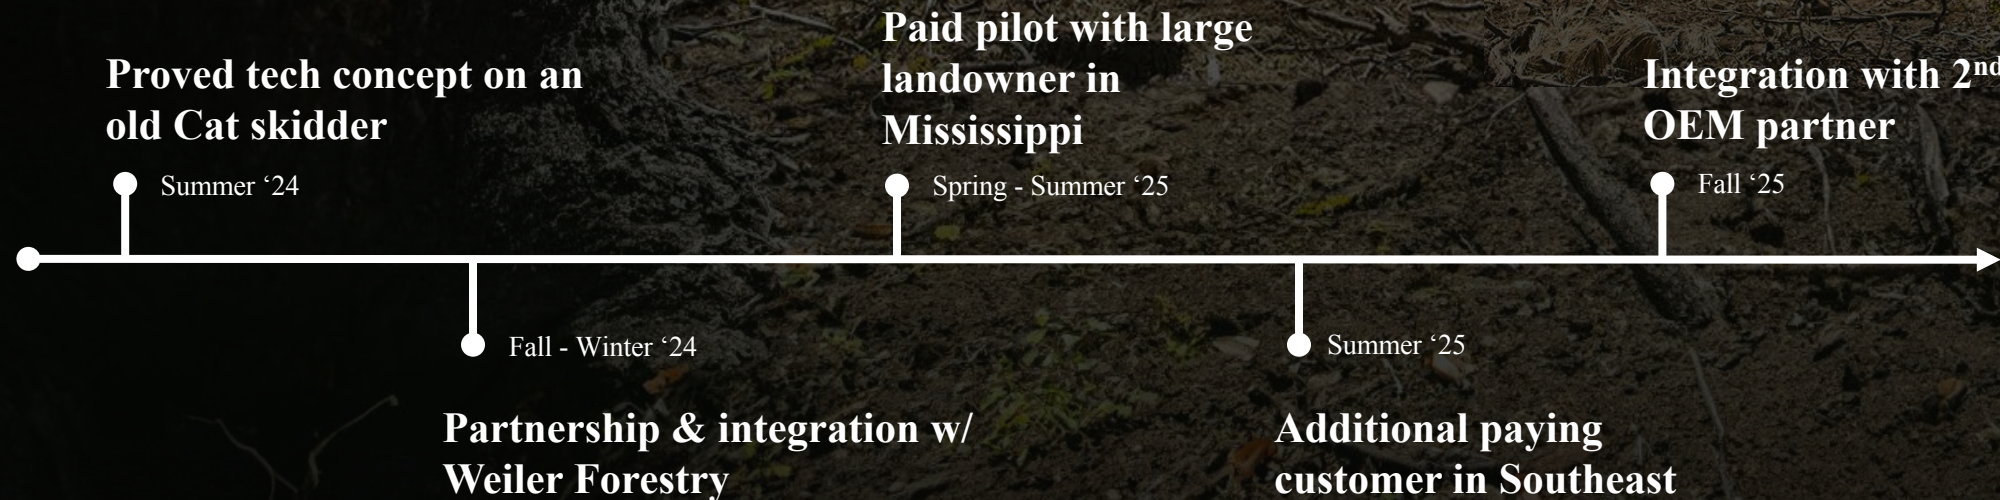

KODAMA INTEGRATES WITH OEMs TO ENABLE REMOTE OPERATION & AUTONOMY

Progress:

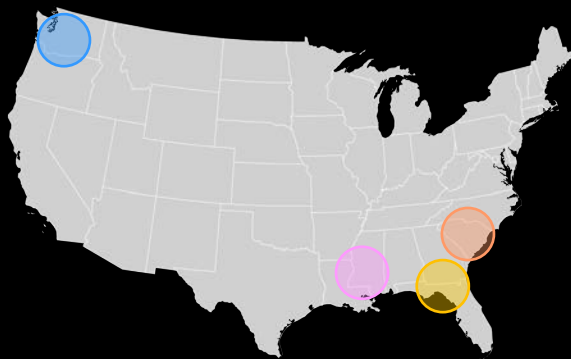

KODAMA HAS OPERATED IN PRODUCTION FOR 2000 HRS

Looking Forward:

KODAMA IS EXPANDING DEPLOYMENTS, OEM PARTNERS, AND AUTONOMY

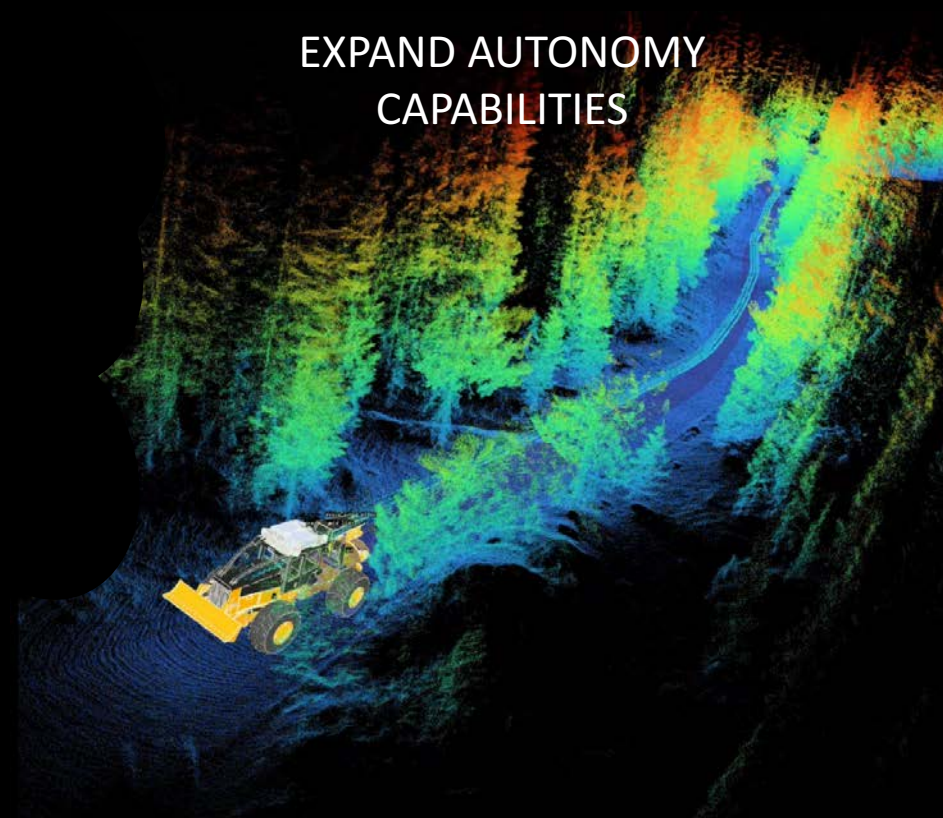

SCALE DEPLOYMENT
HUBS

INTEGRATE WITH
ADDITIONAL OEMs
and MACHINES

EXPAND AUTONOMY
CAPABILITIES
